

companyprofile

thestrawberry

Our logo has evolved over the years but the breezy strawberry has always been there.

This is creativity for us:

Rigorously and passionately doing

The airiest job in the world!

COMUNICAZIONE & IMMAGINE

High quality standards and a
long-standing experience:
this is who we are.

More than 10 people in the team

A 25-year long history

A 300 m² headquarter

1000+ clients

Countless projects!

Based on our experience, we recommend you opt for experience!

the staff

We work with **talent, care, method.**

Each of us focuses on different tasks and, just like a real **team**, we laugh, we discuss, we argue and we make decisions.

All the **expertise** needed in photography, videos, graphics, the copy area, social networks and the web are available **in-house**. Technicians, creative talents and strategists work together, orchestrating the creation of tangible results, day in day out.

our clients

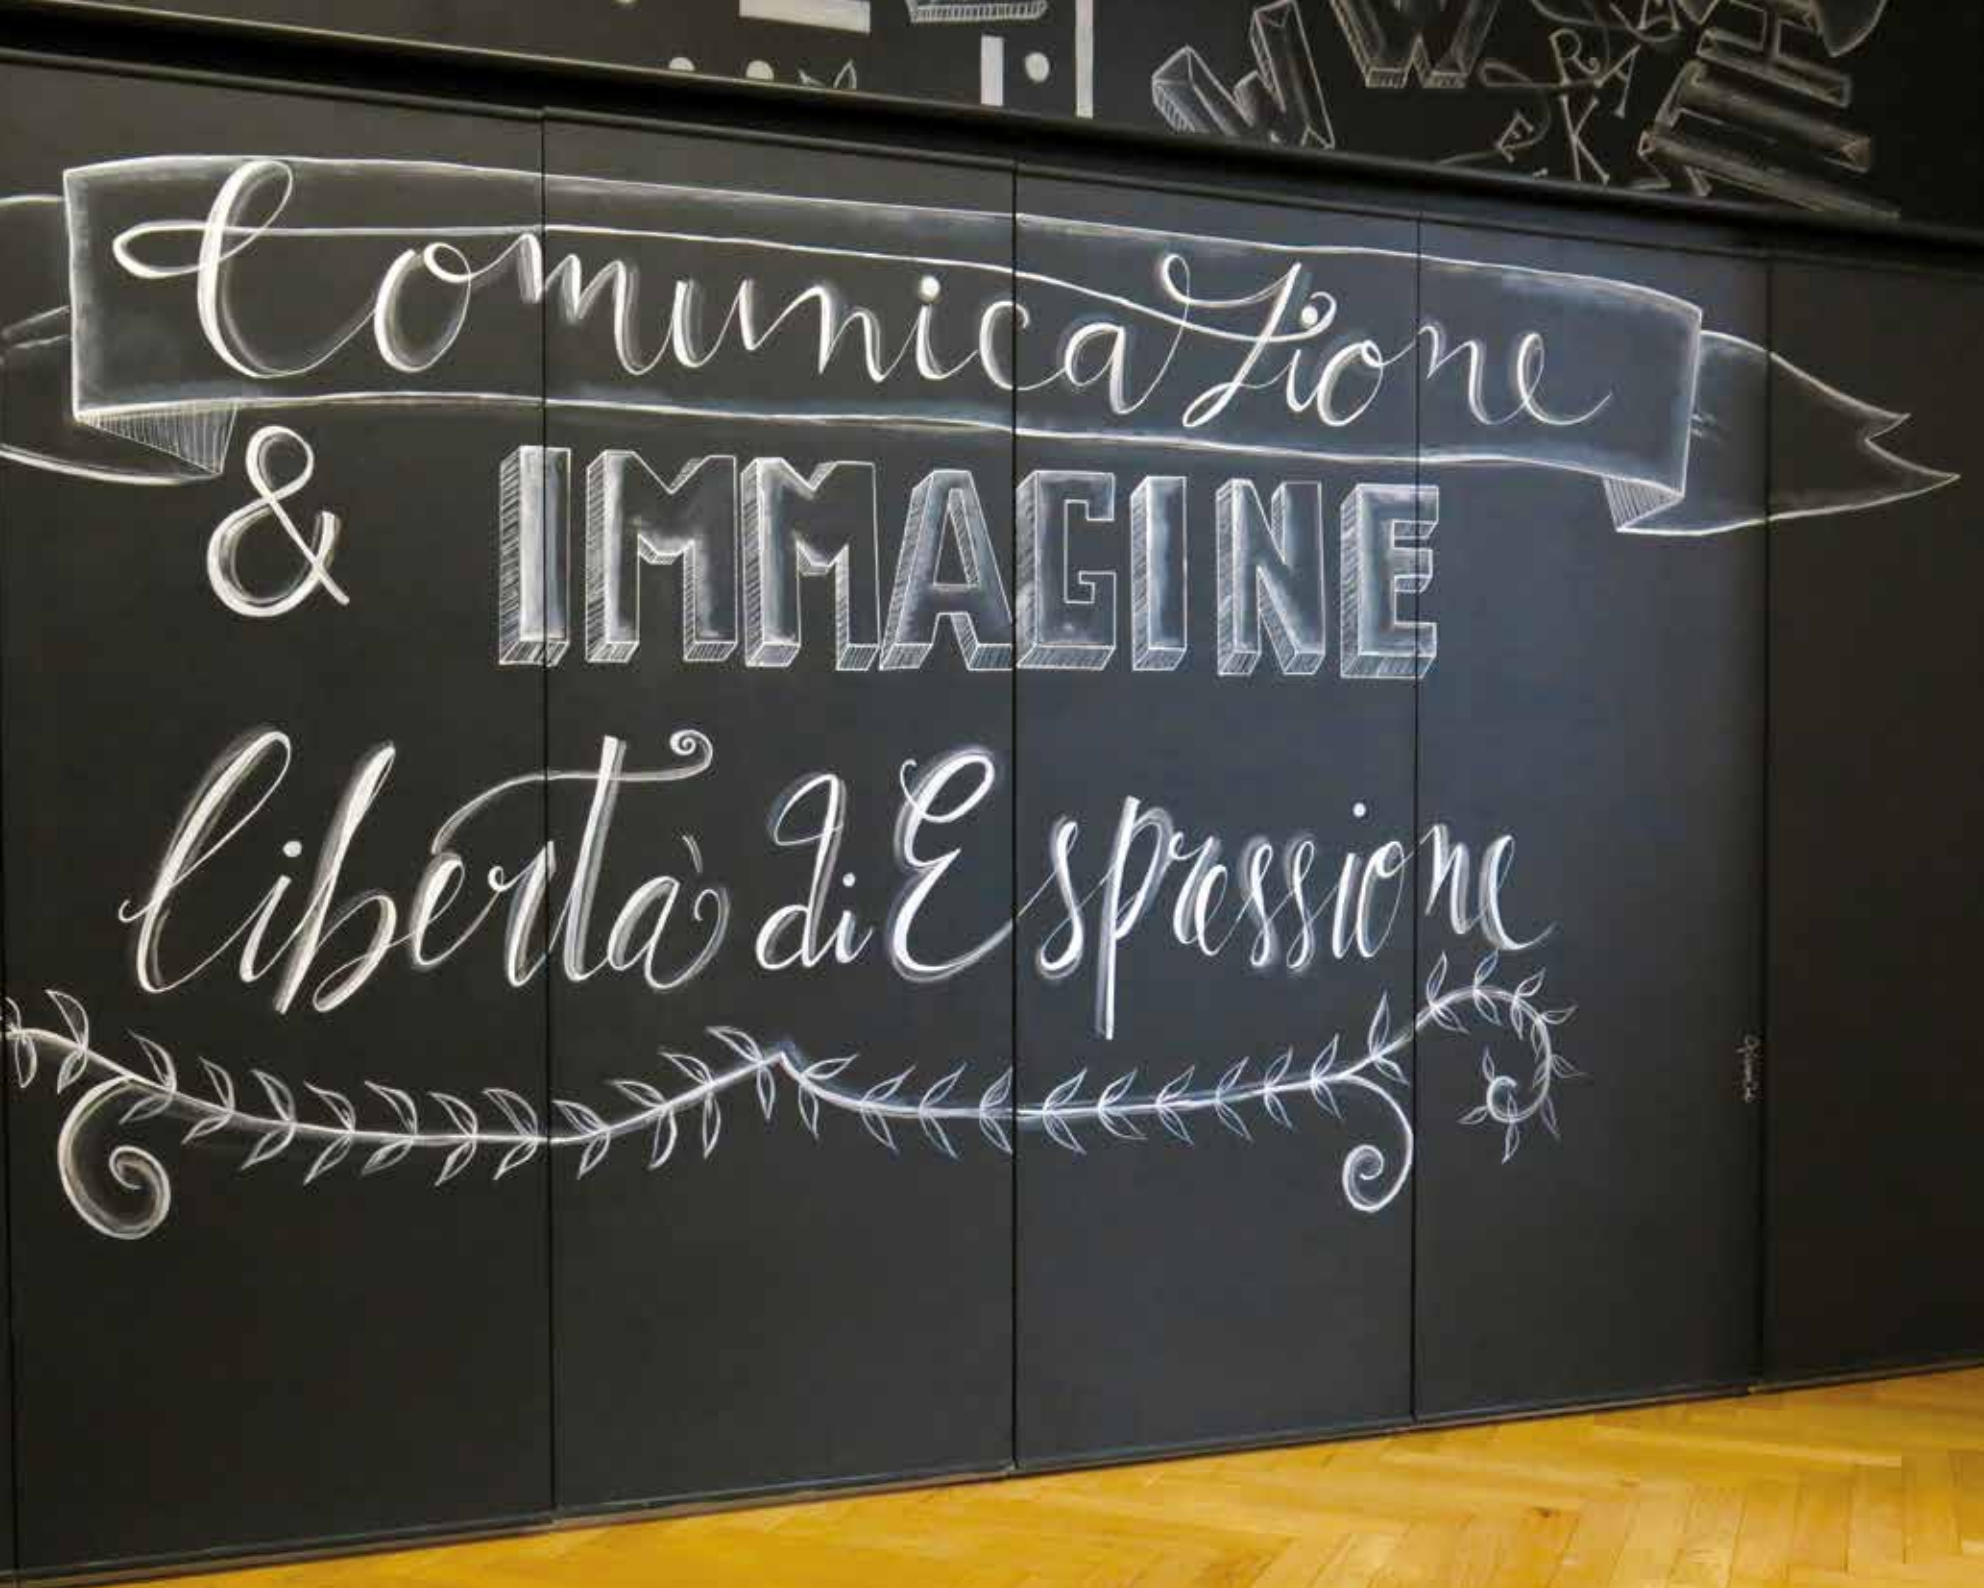

We like to build up long relationships with our clients, understand their needs better and better, **work with them** - not just for them.

We believe time is key to hand down the values of a brand with really original and effective advertising products.

Everything comes to him who waits...
Who offers special deals will take just five minutes of your time.

Give value to experience, give value to time.

why us

Do you have **specific projects** on what you want to achieve?

We'll come up with the best way to put them into practice together.

You don't have very **clear ideas**, feeling uncertain? We'll guide you giving you advice and a strategy.

We set the initial goals **together** and we work back to back to achieve them.

From the quote to the final project, everything we do is **tailored to suit you**.

photography

We have a **photography room in our office** and a dedicated setup.

We offer a photo **shooting service** of production processes, company headquarters and **still-life shots** for advertising campaigns and presentations.

Advertising photography • Photo editing and post-production
Photo-books and event photography

copywriting

You can't find that **little bit extra**?

Copywriters and **Creative Talents** are at your service!

To launch a product, a business or to boost your brand we have the right the words and the **best idea** for you...

graphics and printing

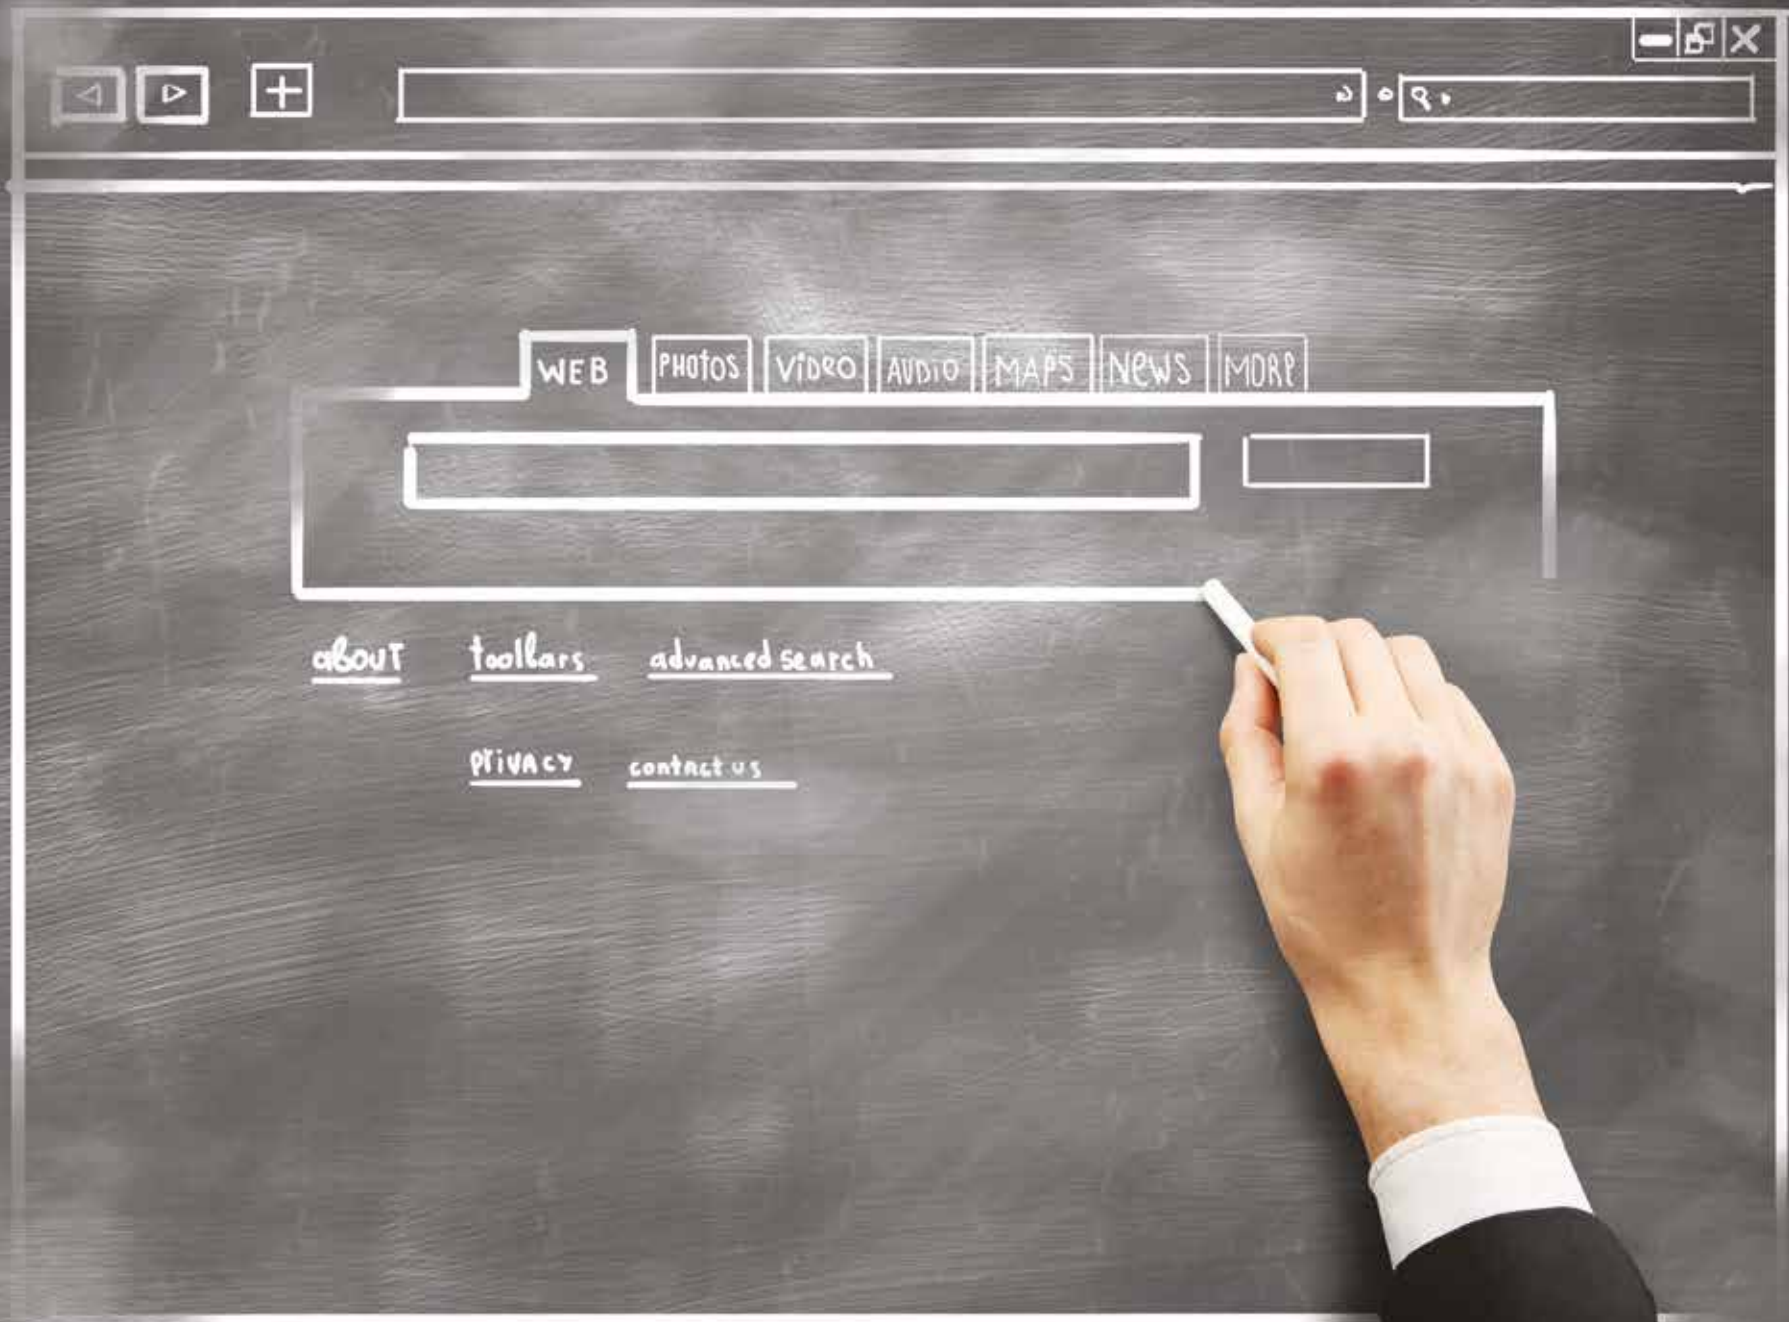

Presenting products and services on **paper**?
We know what we're doing!

Not only effective **graphics and design**:
We also have high competence in the setting and
management of high-volume printers.

Logos • Advertising pages • Flyers • Brochures • Technical Manuals

web development

We find the best **solution** to suit your needs and your **budget**.

We design all kinds of **websites** with captivating graphics and **simple browsing**.

And after we've gone online?
You won't be left alone: we provide **hosting** and assistance!

SEO, DEM & social

All about **digital marketing**:

- place your website in **the first positions** on Google thanks to indexing
- enhance your reputation with professional pages on **social networks**
- reach your Clients and Customers with targeted **email** campaigns

Select the best option with us,
There's a market out there waiting for you!

video editing

To show your product straight away or to strike a chord with your customers telling your story, We take care of the **video shooting** and **editing personally**.

We can make your **web advert** or your **corporate presentation video!**

exhibition display systems

You can rest assured you get the **right support!**
We can produce all you need for your **event** with high-quality digital printing.

Enlargements, gadgets, display systems like **roll-ups** and **pop-ups...**

Customise your communication!

We're everywhere

Follow us on **facebook**

Contact us on **linkedin**

Watch us on **youtube**

...or call us to make an appointment, we'll arrange a meeting, no obligation at all,
just drop in for coffee to talk about your projects in person!
